The Honorable David Wu

Washington, D.C. 20515

Dear Representative Wu:

On behalf of Chinese American Society, I am writing to you in support of the "Accept Chinese Talent Now Act" (HR3532), which amends the Chinese Student Protection Act of 1992 to eliminate the offset in per country numerical level required under that Act.

Chinese American Society is an organization with mission to inspire Chinese Americans' social and political participation and contribution. We are pleased to support "Accept Chinese Talent Now Act" (HR3532). We will support a grass-roots campaign by sending petition letters to members of the house and senate for a rapid adoption of this act.

This act not only provides 1000 more opportunities to the immigrants from the mainland China, more importantly, it would provide the urgently needed talent for the United States to move to the next stage. We believe, in today's world, leadership of a country depends on its ability to attract talent.

Sincerely,
